The background of the entire image is a monochromatic, reddish-pink illustration of a post-apocalyptic city. In the foreground, several anime-style characters are depicted. On the left, a man with dark hair and glasses stands looking towards the viewer. In the center, a woman with long, dark, wavy hair and a light-colored dress looks off to the side. To her right, another woman with short dark hair and a dark suit looks towards the right. In the background, a man with dark hair is crouching down. The city behind them is in ruins, with skeletal remains of buildings and a large, complex structure resembling a power plant or industrial facility under a cloudy sky.
